

## **Guest Room Pet Policy**

Welcome to the First Gold Hotel, a “pet friendly” establishment, where pets are allowed in designated pet rooms located in building #3. We hope that both you and your pet have a pleasant and enjoyable stay with us.

Hotel management asks that you please refrain from leaving your pet unattended in your guest room. Barking, howling, or any such disturbance from the pet in your room may cause another guest to register a complaint with the hotel and could result in a partial to full refund of the guest’s lodging. If this occurs and a refund is issued, you will be responsible for reimbursing the hotel for the total amount of that specific refund.

Upon departure, a thorough inspection of your guest room will be conducted by our housekeeping supervisor. Extra costs incurred by the hotel from any reported damage to items from inside the guest room and/or extra cleaning that is required to be completed by our housekeeping staff will be assessed to your credit card account.

We thank you in advance for your cooperation and for the courtesy shown to our other hotel guests.

Hotel Supervisor
